Dr. Joshua Lederberg
Genetics Building
The University of Wisconsin
Madison 6, Wisconsin

Dear Joshua:

I have your letter concerning the "first class candidate." If, contrary to rule, lightning has stricken twice, I don't know whether we could afford this young man.

I expect to be in Berkeley next week and shall look him up if I have time. Thank you, indeed, for suggesting him.

Sincerely yours,

J. Walter Wilson
Chairman
Department of Biology
